Work to reduce congestion and improve journey times continues this week with narrow lanes and a reduced speed limit of 50mph both coast and London bound 24/7. Free recovery service and speed enforcement are in place to ensure drivers and road workers safety.

On Friday 01 March there will be a full closure of the London bound exit slip road at junction 4 from 8pm through till Monday 04 March at 6am. A clearly signed diversion will be in place via the next available junction.
