

You are receiving this email because we would like to send you regular updates about the M20 Junctions 3 to 5 Smart Motorway work programme. If you wish to unsubscribe, please contact me at the email address below and you will be removed from the list. You can re-join at any time upon request.

**Weekly Update on SMP M20 Programmed Work
Works Information
Monday 22 April to 28 April 2019**

Work to reduce congestion and improve journey times continues this week with narrow lanes and a reduced speed limit of 50mph both coast and London bound 24/7. Free recovery service and speed enforcement are in place to ensure drivers and road workers safety.

Monday 22 April – 28 April (Inclusive)

23 April - there will be a full overnight closure of the M20 coastbound junction 4 entry slip. A clearly signed diversion will be in place via the next available junction. In addition to this closure there will be various lane 1 & 2 closures on the main M20 London bound and coastbound.

24 April - there will be a full overnight closure of the M20 coastbound junctions 2 to 4 and the M26 coastbound Junction 2a to the M20. A clearly signed diversion will be in place via the A20.

25 April - there will be a full overnight closure of the M20 coastbound junction 4 entry slip. A clearly signed diversion will be in place via the next available junction. In addition to this closure there will be various lane 1 & 2 closures on the main M20 London bound and coastbound.

26, 27, 28 April - there will be full overnight closures of the M20 in both directions between junctions 4 and 2. In addition to this the M26 coastbound will be closed between junction 2a and the M20. A clearly signed diversion will be in place via the A20.

These closures are overnight only between 20:00 and 06:00hrs.
