

You are receiving this email because we would like to send you regular updates about the M20 Junctions 3 to 5 Smart Motorway work programme. If you wish to unsubscribe, please contact me at the email address below and you will be removed from the list. You can re-join at any time upon request.

**Weekly Update on SMP M20 Programmed Work
Works Information
Monday 19 August to 25 August**

Work to reduce congestion and improve journey times continues this week with narrow lanes and a reduced speed limit of 50mph both coast and London bound 24/7. Free recovery service and speed enforcement are in place to ensure drivers and road workers safety.

Monday 19 August to 25 August (inclusive)

19, 20, 21, 22 August - there will be a full overnight closure of the M20 London bound junction 4 entry slip. A clearly signed diversion will be in place via the next available junction.

These closures are overnight only between 8pm and 6am.

In addition to these closures detailed above there will be various lane 1 & 2 closures on the main M20 London bound and coastbound.
