**Weekly Update on SMP M20 Programmed Work
Works Information
06 January to 12 January**

Work to reduce congestion and improve journey times continues this week with narrow lanes and a reduced speed limit of 50mph both coast and London bound 24/7. Free recovery service and speed enforcement are in place to ensure drivers and road workers safety.

Monday 06 January to 12 January (inclusive)

6, 7, 8, 9, 10 there will be full overnight closure of the M20 London bound and coastbound between junctions 6 and 4. A clearly signed diversion will be in place via the A228, M2, A229.

These closures are overnight only between 8pm and 6am

On Saturday 11 January there will be a full weekend closure of the M20 coastbound junction 4 entry slip from 6am through till Monday 13 January at 6am.

Clearly signed diversions will be in place via the next available junction.

In addition to these closures detailed above there will be various lane 1 & 2 closures on the main M20 London bound and coastbound.
