

You are receiving this email because we would like to send you regular updates about the M20 Junctions 3 to 5 Smart Motorway work programme. If you wish to unsubscribe, please contact me at the email address below and you will be removed from the list. You can re-join at any time upon request.

**Weekly Update on SMP M20 Programmed Work
Works Information
Monday 27 May to 02 June 2019**

Work to reduce congestion and improve journey times continues this week with narrow lanes and a reduced speed limit of 50mph both coast and London bound 24/7. Free recovery service and speed enforcement are in place to ensure drivers and road workers safety.

Monday 27 May - 02 June 2019 (Inclusive)

28, 29, 30, 31 May and 01, 02 June - there will be a full overnight closure of the M20 coastbound junction 4 exit slip, and the London bound junction 4 entry slip. Clearly signed diversions will be in place via the next available junction. These closures are overnight only between 20:00 and 06:00hrs.

In addition to these closures detailed above there will be various lane 1 & 2 closures on the main M20 London bound and coastbound.
