

Your role..

If you see any activity or behaviour you think is suspicious around an airfield, coastline or waterway, report it:

- For all non-urgent crime call **101**.
- In an emergency or if life is in danger, call **999**.
- Alternatively call Kent Crimestoppers on **0800 555 111** if you want to remain anonymous.
- Record as much detail as possible, this can be done in a few simple steps using the Country Eye app, which is available to download for free at www.countryeye.co.uk

Don't ignore it, share it

Country Eye

The Country Eye app is very simple to use:

- Step 1:** Take a photo of the suspicious behaviour.
- Step 2:** Tell us where you are using your phone's built-in GPS location.
- Step 3:** Describe what you can see, providing as much details as possible.

Remember any small amount of information could lead to a big result:

-  **Do not take direct action yourself**
-  **Do not confront suspects**
-  **Do share information as soon as possible**

Thank you for helping to keep Kent safe.

Don't ignore it, share it

Reporting unusual or suspicious activity could help to combat crime and terrorism

See anything unusual or different, report it. www.kent.police.uk/dontignoreitshareit

Kent Police

Working together gets results

The 'Don't ignore it, share it' campaign aims to encourage the local community to work together, through the sharing of information with Kent Police. Reporting unusual or suspicious activity could help to combat crime and terrorism.

Kent provides a convenient gateway to and beyond the South East, with over 100 active airfields and airports and 350 miles of coastline and waterways. If you live, work or relax in these areas you will instantly notice anything unusual or different. It has been proven that local information reports can play a significant role in helping police to increase safety, reduce criminal behaviour and disrupt terrorist activity.

Things we would like to know – what to report:

- A person or people who appear nervous, avoid communication, and/or does not appear comfortable in the environment.
- An unusual time of the day to be undertaking the activity i.e. launching a boat from a remote location at night.
- A suspicious vehicle that looks out of place i.e. parked in the location of an airstrip.
- Groups of people who appear lost, confused and in the need of assistance.
- The purchase or hire of equipment, when the person does not seem familiar with the use of it.
- Unusual low flying aircraft in strange situations.
- Discarded items on the beach such as life jackets or even vessels that appear to have been recently abandoned.
- Damage to security fences, such as at aviation sites.
- Unofficial markers or signs left on the beach or in the water that maybe left as an indication of a landing site.
- Anyone filming, taking pictures or taking notes around crucial infrastructure.
